7

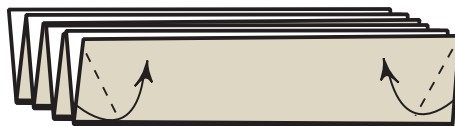

Fold behind.

Unfold the
underneath flaps
as shown.

8

enlarged view

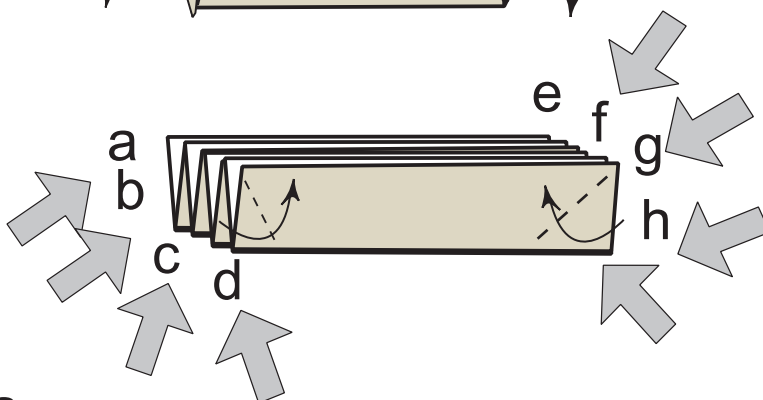

Fold 2 bottom corners
to the top folded edges
as shown .
(all together)

9

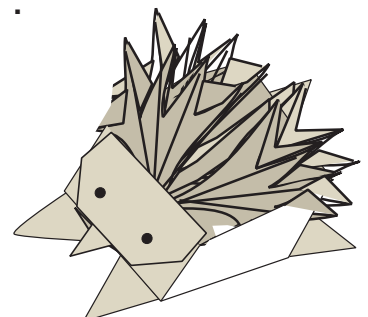

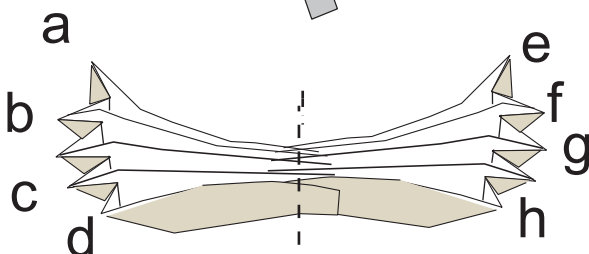

Unfold.

10

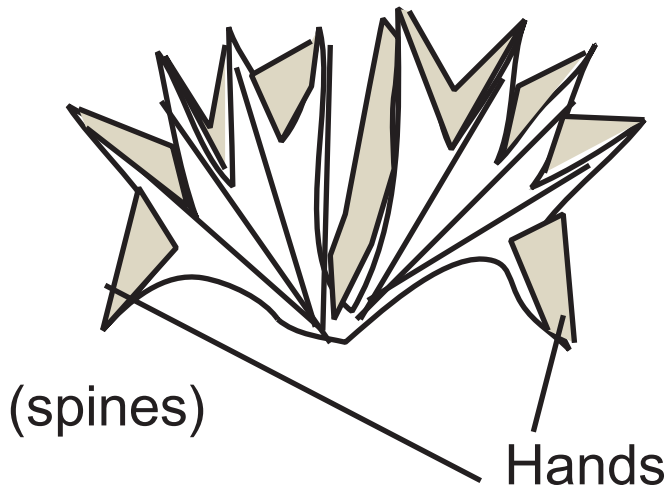

Press inside the corners
'a' , 'b' , 'c' and 'd' along the
crease lines, which you
made in diagram 9.
Repeat with the other
side 'e' , 'f' , 'g'
and 'h' .

This is the result.
Make another one.

Insert 4 hands into the
pocket as shown
to make the spines.

Here is the cute Echidna !!
