

To be or not to be - that is the question.

Shakespeare (1564-1616)

If Shakespeare was still alive,
he might say ``TV or not TV - that is the question.``

When I lead the Origami workshops, the thing that gives me the most pleasure is time to communicate with other people.

TV is a wonderful media however it sometimes lets people be lazy in the most important area of life, talking to other people.
